## “ Parents Testimonials

“Cambridge Court World School offers a perfect balance of academics and co-curricular activities. The teachers are dedicated, approachable, and truly care about each child's growth. The student-teacher ratio is excellent, and the overall environment is nurturing and disciplined.

Undoubtedly, one of Jaipur's top schools.”

Student's Name: Aditi & Anshika Singh  
Parent's Name: Mr. Nitin Yadav

RAS | Presently Posted As Additional District Magistrate

“My daughter's learning journey has been remarkable. The teachers encourage independent thinking, creativity, and confidence. Along with strong academics, the school emphasizes sports, life skills, and values. CCWS has provided exactly the platform my child needed.”

Student's Name: Swati Bissa  
Parent's Name: Mr. Mahesh Bissa  
Mother: Mrs. Usha Bissa (Secretary, ICAR)

Hobby Classes – A Part Of School Curriculum

*A One-Stop Destination For Parents*

## A Futuristic Learning Platform

Skilizee is a next-generation K12 ed-tech platform empowering students with **real skills for the real world. Through gamified, interactive learning powered by prestigious Harvard case studies**, Skilizee bridges the gap between traditional education and future-ready meta-skills.

We deliver immersive offline school sessions, **brand-endorsed internships, and skill-based projects with real-world simulations**—building confidence, critical thinking, communication, and leadership so students don't just learn, they experience the future.

## 1st School In Rajasthan With Ted-Ed Club

Cambridge Court World School is the first school in Rajasthan to associate with the international organisation TED-Ed, empowering students to share ideas, think critically, and communicate confidently on global platforms.

## Character Building Through Indian Ethos

We nurture empathetic, lifelong leaders by embedding character and leadership development rooted in Indian ethos within our curriculum. Students learn to lead through values, responsibility, and meaningful real-world experiences.

## Maker Spaces

Our Robotics & Maker Curriculum fosters creativity, imagination, and innovation. Students learn by designing, building, experimenting, and problem-solving, preparing them for future technologies and careers.

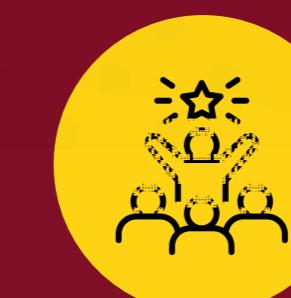

## No. 1 In Sports In Jaipur

Our two-storey Sports Complex and safe, well-planned play zones, guided by professional coaches, empower students to excel in sports. Their dedication and discipline are reflected in the remarkable collection of trophies and awards proudly won by our Cambridge students.
